“It was a great pleasure for me to carry out my first induction ceremony for JoAnne Tamlyn”

President's Ponderings

While it was a great pleasure for me to carry out my first induction ceremony for JoAnne Tamlyn, it was very nerve-wracking for me because I was terrified I'd get tongue-tied and stuff it up. It is such an important occasion, I hope it came across well. JoAnne works in the same building where John Phillips does his volunteering for the Epilepsy Foundation so he was able to give her a very good introduction to Rotary.

We had a guest looking at us for the first time, Luke Primon, and Andy Fry who has been along before. Good to see Colin Gould too.

We also had a visit from Andrew Sandbach, a Scotch student who we nominated for the National Youth Science Forum in Canberra next January. We are very proud that Andrew made it through the rigorous selection process- we may have a budding Gustav Nossal.

From the Board

We are donating \$4,800 to buy 4 Shelter Boxes for displaced people in Africa. This is an escalating problem as ethnic and religious conflict rages through countries whose boundaries have been set by European Colonialists with no understanding of the natural affinities.

In future we will offer our outside Guest Speakers a pack of gift soap hand-made in East Timor instead of a Rotary pen.

The Combined Rotary Clubs of Boroondara dinner for Boroondara Cares on October 21 is receiving excellent support - we are sure there will be more than 200 people attending, which will be quite a tricky event for us to manage.

Our Business of Winning Committee are also gearing up for the big Fundraising Lunch on Nov. 28, proceeds of which will go to Boroondara Cares.

HELP NEEDED TUESDAY

Richard Balsillie has volunteered to collect unwanted schoolbooks from Camberwell High School and deliver them to our Overseas Aid Depot in Spotswood next Tuesday. If you can give a couple of hours to help, please phone Richard.

Thanks From Jenny Matthews

Just a short note to thank you all for your support and encouragement throughout the year and also to thank you for the lovely vase with signed card. The vase is in use and looking just great.

Almoners Report

Unfortunately Marg Hookey is still suffering from ear and eye problems that are showing to be somewhat resistant to treatment. The upside however it that Neil is not being harassed for spending to much time at the B.B.C. which translates to the Bloody Bowling Club!
